

International Journal of Human Sciences

ISSN:1303-5134

©2001 <http://www.J-HumanSciences.com> **crossref**doi:10.1468

Focus and Scope

The *International Journal of Human Sciences* (ISSN:1303-5134) is an online academic journal that adheres to the highest standards of peer review and engages established and emerging scholars from anywhere in the world, and welcoming to contributions all kinds of scientific works in any disciplines, approaches and languages. Articles are published in **real time** by adding them to the "current" issue's Table of Contents as soon as they have completed the review process.
