		It can be confusing when taking red line buses. Make sure you know which route the bus is on. You may use the attached printable cards to ask for help. There is one stop at NSRRC on ROUTE 2, right across the main gate. There are three stops (Guard Creation Rd. 2, SPIL, REALTEK) on ROUTE 3, which are close enough for you to walk to NSRRC's side entrance and the security guard room. If you are staying at NSRRC Guest House, you need to get your room key at the security guard room after 5 pm.		Remark : 1. No shuttle bus on holidays and national holidays 2.
