

Call for Papers

International Journal of Data Mining, Modelling and Management

ICBBD 2019: Special Issue on: "Business, Big Data and Decision Sciences"

Guest Editors:

Prof. Jung-Fa Tsai, National Taipei University of Technology, Taiwan

Prof. Jianming Shi, Tokyo University of Science, Japan

Prof. Adrian E. Coronado Mondragon, Royal Holloway University of London, UK

Prof. Chian-Son Yu, Shih Chien University, Taiwan

For this special issue, the Guest Editors will be inviting substantially extended versions of selected papers presented at [International Conference on Business, Big-Data, and Decision Sciences \(ICBBD 2019\)](#) for review and potential publication, but are also inviting other experts to submit articles for this call.

Subject Coverage

Suitable topics include, but are not limited, to the following:

- Accounting
- Insurance and risk management
- Applied economics
- Electronic commerce
- Marketing and communication
- Operation management
- Management and decision processes
- Finance
- Leisure and sports management
- Strategic management
- Organisation management
- Healthcare management
- Tourism and hospitality management
- Classification
- Clustering
- Frequent pattern mining
- Probabilistic and statistical methods
- Data stream mining
- Feature extraction
- Web text mining
- Online algorithms
- Scalable and high-performance computing techniques
- Mining with data clouds
- Mining graphs
- Mining semi-structured data
- Mining complex datasets
- Bayesian statistics
- Decision theory Multiple criteria decision making
- Game theory
- Operations research
- Learning science and technology design
- E-learning
- Internet of Things
- Machine learning
- Intelligent manufacturing
- Modelling for data management
- Data engineering

Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

All papers *must* be submitted online. To submit a paper, please read our [Submitting articles](#) page.

If you have any queries concerning this special issue, please email Prof. Chian-Son Yu at csyu@g2.usc.edu.tw.

Important Dates

Manuscripts due by: *30 September, 2019*

Notification to authors: *30 November, 2019*

Final versions due by: *31 January, 2020*
