

# 2023 Annual Meeting of the Physical Society of Taiwan 台灣物理年會暨國家科學及技術委員會計畫成果發表會

## To whom it may concern:

Department of Physics, National Cheng Kung University has the honor of scheduling the 2023 Annual Meeting of the Physical Society of Taiwan, to be held from January 16 (Monday) to January 18 (Wednesday), 2023. Your company is cordially invited to attend and cooperate with us on this grand occasion.

Outstanding local and overseas scholars and experts in physics-related disciplines will be invited to attend this annual meeting. At the time, there will be more than 2000 participants and approximately 1,000 selected academic and technical papers presented, covering the topics: nanotechnology, semiconductors, solar energy and photovoltaic elements, nanomaterials and their detection, magnetic materials and components, superconductors, statistical and computational physics, surface physics and microscopy, high-energy physics, atomic and molecular physics, astrophysics, and so on. Besides, the Topical Symposium will be held on the same period. This meeting would provide those in academia and industry the opportunities for knowledge, technology and experiences exchange, and trade-show.

The Department of Physics, National Cheng Kung University, upholds the dedicated service, and will strive to make the meeting a complete success. We understand that this meeting won't be successful without your support. For achieving this goal, we sincerely seek your company to kindly provide the necessary sponsorship for the funding of the meeting's activities, by means of hiring an exhibition stand, carrying out recruitment, providing awards for student papers, and/or placing advertisements, etc. We have attached a sponsorship item response letter, and respectfully request its return after being filled in appropriately, to facilitate subsequent contact. Please submit your reply before November 11, 2022 for follow-up.

Yours with Best Regards,

General Chair Ying-Jer Kao (President of the Physical Society of Taiwan)  
Co-Chair Kung-Yao Lo (Professor/Chair, National Cheng Kung University)

October 5, 2022

## Note:

1. A guide brochure will be printed and a web page will be set up for the meeting, to allow participants to learn more information of your products. We hope your company will see fit to sponsor the meeting through the means shown below.
2. Attached are the sponsorship reply, sponsorship items and amount table, please reference.
